**Re: Hendricks, Kalen Manden****January 21, 2015****Page 2**

On January 16, 2015, the offender was instructed to appear in the U.S. Probation Office in Spokane, Washington. The offender was questioned about his behavior and decision to disregard the request to provide a urine specimen. At that time, Kalen Hendricks admitted he purchased a device commonly referred to as a "whizzinator" in an attempt to circumvent the phase urinalysis program. He denied utilizing the device while under supervision. Currently, the offender has not surrendered the device to the undersigned officer.

**Special Condition # 24:** You shall undergo a substance abuse evaluation and, if indicated by a licensed/certified treatment provider, enter into and successfully complete an approved substance abuse treatment program, which could include inpatient treatment and aftercare. You shall contribute to the cost of treatment according to your ability to pay. You shall allow full reciprocal disclosure between the supervising officer and treatment provider.

**Supporting Evidence:** Kalen Hendricks violated the conditions of his supervised release in Spokane, Washington, on January 15, 2015, by failing to participate in substance abuse treatment. Initially, the offender appeared for treatment until directed to provide a urine sample as indicated under violation #6. As previously mentioned, he would abruptly depart the facility abandoning the remaining period of counseling for that evening.

The U.S. Probation Office respectfully recommends the Court issue a warrant for the arrest of the offender to answer the allegations contained in this petition.

I declare under penalty of perjury that the foregoing is true and correct.
